Declaration of Hazardous Substance

We hereby confirm that our trademarked ZL® products have not intentionally used chemical substances listed in Persistent Organic Pollutants (POPs), Regulation (EU) 2019/1021.

The statements are based to our current knowledge. We reserve the right to change and/or complete it. We do not conduct tests to determine the results; we depend on the statements of our raw material suppliers.

This statement expires 12 months after the date of issue. Please observe the validity and request a new declaration if needed.

Best regards,

Eric Giesen
Vice President of Sales
